

Allen Berg Racing Policy

Liabilities

Students are only responsible for accident damage up to \$2,500 per incident in any of our half, one or two day formula car programs. Crash damage liability is limited to \$5,000 per incident for our formula car lapping sessions. Karting program crash damage is limited to \$250 per kart per incident and \$1,500 for Corporate and Arrive and Drive kart programs. If you have an incident that results in damage to ABRS equipment, you can continue albeit at the discretion of ABRS staff and your liability level may be increased.

Rain Checks and Course Cancellations

All ABRS Formula Car courses operate rain or shine unless, at the sole discretion of ABRS staff, the conditions are considered unsafe. For our kart courses if the weather doesn't cooperate we will give you a rain check to reschedule.

In the event of a declared rain out (subject to the discretion of ABRS staff), third party cancellation (such as track unavailability), ABRS we will make every effort to reschedule your event or any missed portion thereof as conveniently as possible. Refunds will not be granted if a course cannot be completed due to weather or unforeseeable situations out of the control of ABRS.

Dress Standards

It is the responsibility of the student to come appropriately dressed including footwear for the school in accordance to our recommendations. Inadequate footwear may impede the safe control of your vehicle and is grounds for refusal of entry into programs.

Punctuality

If a student is late for a course ABRS will make every effort to accommodate the student into the program however if this would impede the other students program or if the student has missed critical classroom information or driving exercises they may be refused entry into the course. **Please be punctual!** (In any case, we know that since you have waited so long to get into a race seat, you'll most probably be very early. Not too early though. ☺)

Let us show you a once in a lifetime driving experience that will allow you to be thrilled for years to come. Call us now to sign up!
